 - 3) Resolution 22-016 – Roll Forward Assessment Roll for 2022
 - 4) Ordinance 2022-05- Adopt Perch Hole Bayou and Red Oak Tree Lane into Parish Road System
- B) Under Public Comments
- 1) Ordinance 2022-01 – General comments were in support of the bringing the railroad back to the parish.
 - 2) Resolution 22-015 and Resolution 22-016 – Mr. Bachus asked Ms. Archer, Assessor to explain the millage process. Ms. Archer explained the roll forward and “calling for an assessment” process.
 - 3) Ordinance 2022-05 – One resident spoke to object the addition of roads.
- C) There be no further comments, Mr. Edwards Closed the Public Hearing.
- 1) The meeting was called to order by Mr. Edwards. Ms. Burley conducted the roll call and a quorum was declared present.
 - 2) A motion was made by Mr. Probst seconded by Mr. Yearby to approve the minutes of the May 9, 2022 meeting as distributed. Motion carried unanimously.
 - 3) Ms. Ellen Yates was scheduled to address the Jurors, but was not present.
 - 4) Mr. Probst introduced Mr. and Mrs. Booty of Forest Road. Discussion of the back end of Forest Road being the part that is no longer gravel. The Booty’s discusses that they have mowed and maintained the area and now own all the lots surrounding this area but have no access road to build. Mr. Guillory stated that he had spoken with the previous Superintendent, Mr. Pugh, and was told that once upon a time the road was in the parish

system but the owners asked the parish to discontinue maintenance. The proposed road is on a plat is per Curtis Nelson was about 150 feet from end of the road to the culvert. Mr. Parker made a motion to allow the Superintendent to investigate the matter and report back to the Jurors what needs to be done. The motion was seconded by Mr. Yearby and carried unanimously.

- 5) Mrs. Jeannie Archer with the Assessor's Office spoke next. Mrs. Archer discussed updates to aerial imagery that were needed and presented two quotes for the Jurors to review. The difference in the costs on each quote was based on the quality of imagery. Mrs. Archer asked the Jurors for an ARPA allocation to fund the initial flyover at a cost of \$117,098 and the Assessor's office would pay for the remaining two. This would allow for 3 fly overs over the next six to nine years. A key component is that Eagleview includes a free fly over within two days after a major disaster and have the imagery available within one week. Other free key components include the ability to add layers such as all fire hydrants in the parish to help the fire departments.

Mr. Parker asked why other entities were not helping with the costs. Mrs. Archer responded that nobody wants to pay for the service, only receive the revenues. Mrs. Archer explained that when houses burn, torn down, or other changes to a property, the Assessor's office needs to denote this on the property description for better assessment.

Mrs. Archer also shared the website visits and statistics for year to date. The main requester of shape files is the 911 office to help enhance their abilities to view and respond to areas. The portal is offered at no charge to the public. The Assessor's office spends approximately \$60,000 each year to make updates. Mrs. Archer asked for approval to allocate funds once that second round of ARPA funding is received.

A motion was made by Mr. Parker seconded by Mr. Yearby to have the Finance Committee meet to discuss the allocation and report back to the Jurors with their recommendations. Motion carried unanimously.

- 6) A motion was made by Mr. Probst seconded by Mr. Yearby to adopt Ordinance 2022-01: Creation of the Northeast Louisiana Railroad Development District. Motion carried unanimously. (See addendum for ordinance.)
- 7) A motion was made by Mr. Probst seconded by Mr. Yearby to adopt Resolution 22-015 – Millage Roll Forward to Adjusted Millage Rates. Motion carried unanimously. (See addendum for resolution.)
- 8) A motion was made by Mr. Yearby seconded by Mr. Whittington to adopt Resolution 22-016 – Roll Forward Assessment Roll for 2022. Motion carried unanimously. (See addendum for resolution.)
- 9) A motion was made by Mr. Parker seconded by Ms. Allen to adopt Resolution 22-017 – Support of Veterans Hospital, Alexandria. The resolution urges US Congress to reject the

recommendation to close the hospital as recommended by the US Department of Veterans Affairs. Motion carried unanimously. (See addendum for resolution.)

- 10) A motion was made by Mr. Probst seconded by Ms. Allen to adopt Resolution 22-018 – Library Millage – non roll forward. Motion carried unanimously. (See addendum for resolution.)
- 11) A motion was made by Mr. Adams seconded by Mr. Yearby to adopt Ordinance 2022-05 adopting Perch Hole Bayou Road and Red Oak Tree Lane into the parish road system. Under public comment, one resident spoke against adding more roads to the parish. Former Juror, Willie Dunbar stated in the past the Juror voted not to take anymore roads in the parish until the road debt was paid in full. He also spoke of decisions not to take roads that connect to a blacktop highway. Further discussion ensued. There is no ordinance adopted previously by the parish to prevent the current jurors from adding roads to the parish system. Motion carried unanimously. (See addendum for ordinance.)
- 12) A request and hold harmless was received by the Concordia Parish School Board to place two culverts at Ferriday Lower Elementary. The culverts have been purchased by CPSB to install. A motion was made by Mr. Bachus seconded by Mr. Yearby and carried unanimously.
- 13) A request and hold harmless was received by the Concordia Parish School Board to spray the fence line at Ferriday High School and Vidalia High School. A motion was made by Mr. Bachus seconded by Ms. Allen and carried unanimously.
- 14) A request and hold harmless was received by the Concordia Recreation District #1 to spray the fence line at Montgomery Square (aka Fort Bowie). A motion was made by Mr. Bachus seconded by Ms. Allen and carried unanimously.
- 15) Committee Reports / Action:
 - a) Finance – Ratify the 2021 Quarter 4 final budget – A motion was made by Mr. Probst seconded by Mr. Yearby to ratify the final 2021 budget. Motion carried unanimously.
 - b) Courthouse –
 - 1) The main water heater for the courthouse has quit working and repair costs to replace the expansion tank are being sought. Ms. Burley asked for permission to approve the expenditure once proper quotes have been received and reviewed. A motion was made by Mr. Yearby seconded by Ms. Allen to approve the purchase and plumbing of a new water heater.
 - 2) The main doors to the courthouse need adjusting to properly close. The scope of the solution is made difficult by the doors being bolted into concrete. In order to properly adjust, these floor plates would need to be removed and adjustments made. The main access door to the freight elevator also will not close. A quote had been received for repairs for review. Additional quotes are being obtained. Ms. Burley asked for an approval to move forward with the work needed once proper quotes have been obtained.

A motion was made by Ms. Allen seconded by Mr. Neal and carried unanimously to approve the expenditure.

16) Ms. Burley gave an update on open projects of the parish. Key updates were:

Brushy Bayou – Jordan, Kaiser, and Sessions have received final review approval from DOTD. Once the final stamps and documents are made available these will be sent to GOHSEP to continue the application for funding and awarding of phase two.

PA 4462 – The asphalt portion of this project is in final review for funding approval. The gravel portion has been approved and materials and timeline will need to be coordinated once the Mississippi River is low enough to conduct the work needed. Bid documents for reconstructing the asphalt roads are in progress. A uniform scope of work to standardize the work needed has been challenging.

HM 4590 – Working with public entities for mitigation needs from the winter storm. So far, generators are the biggest key component needed to keep operations running. An extension for the application has been given statewide.

Broadband – No updates on awards have been received.

ARPA – A Cooperative Endeavor Agreement is needed with Lake St. John Waterworks to use their allocation for matching funds toward a \$1.2 million grant from DOA-OCD. A motion was made by Mr. Parker seconded by Mr. Yearby to authorize the President to execute the CEA. Motion carried unanimously.

17) Jurors brought forward the following Ordinance Violations:

Yearby – Concordia Park between 396 & 412, vacant lot, needs grass mowed

Whittington – 837 Mooselodge, trash

Neal – Curtis Nelson asked for the Carroll Place on Belle Grove be cited for trash and debris.

A motion was made by Mr. Probst seconded by Mr. Yearby to cite the above violations.

Motion carried unanimously.

18) Under the Secretary / Treasurer's Report, Ms. Burley brought forward:

a) Syrah Event, Tuesday May 24, 2022 at 5:30.

b) Audit Schedule – Auditors will be in the office next week to continue the 2021 audit

c) Upcoming Holiday Schedule – the offices will be closed May 30 and June 20

19) A motion was made by Mr. Parker seconded by Mr. Yearby and carried unanimously to approve the following liquor licenses:

R&J's Food Management dba Duck's Nest II; Panola Woods Country Club, and Illusions, LLC

20) Mr. Guillory gave the following updates on Superintendent's Work Orders.

The new tractor warranty is expiring. Quotes were received on renewing the warranty. Mr. Guillory stated he would review the quotes and would present the best option at the next meeting.

610 (yards) – 16 Ron Road; 15 Herbert Crouch, 16 Foreman Road; 45 Archer Road; 15 Ellard Road; 15 Hammett Addition; 16 Luttrull

Pitrun (yards) – 106 on Hailey; 15 Herbert Crouch; 16 Hammett Addition; 90 Archer Road;
10 Mooselodge Road

Maintenance Gravel (yards) – 15 Ames Road

Discussed again needing a new ice machine. Cost estimate is approximately \$4,000. Mr. Edwards stated to hold off on purchasing a new one until other repairs could be made.

Culverts needed – Ellard Road – 18x30 for approximately \$2,000; getting quotes.

A motion was made by Mr. Probst seconded by Mr. Yearby to approve the materials. No further comments. Motion carried unanimously.

21) Work Orders from the Jurors were next brought forward. A motion was made by Mr. Adams seconded by Mr. Probst to approve the following:

Sandi,

Again the terms can be misleading. The tractor came with a 24 months warranty. The 36 months adds 1 year, 48 months adds 2 year, and so on. This covers the power train on the tractor.

36 Months / 2000 Hours	\$ 250	\$ 1251

36 Months / 3000 Hours	\$ 250	\$ 1626
36 Months / 3500 Hours	\$ 250	\$ 1995
36 Months / 4000 Hours	\$ 250	\$ 2406
36 Months / 4500 Hours	\$ 250	\$ 2615
36 Months / 5000 Hours	\$ 250	\$ 2793
36 Months / 6000 Hours	\$ 250	\$ 3461

72 Months / 4500 Hours \$ 250 \$ 4831
