**PARISH POLICE JURY
REGULAR MEETING
AUGUST 10, 2020
6:00 P.M.**

The Police Jury of Concordia Parish met this day in regular session convened. There were present the following members:

President:	Joseph Parker, Sr.
Members:	Genesia Allen, Maurice Bachus, Willie Yearby, Gary Neal, Scottie Whittington, Adam Probst, Collin Edwards, Brad Adams
Absent:	
Secretary Treasurer:	Sandi T. Burley
Invocation:	Mr. Yearby
Pledge of Allegiance:	Mr. Probst

- A) Motion was made by Mr. Adams seconded by Mr. Neal to open a Public Hearing to abandon Fairview Landing Road. Motion carried unanimously.
- B) Public comment was held. Property owners on Fairview Landing Road were present to address the Jurors. The property owners stated opposition to abandoning all of the road. One property owner, Mr. Tim Guice, stated they would just like to see a load of pitrun spread at the base of the levee where the road was the worst. Discussion was held regarding a locked gate restricting access was placed about two tenths of a mile down the road. Land owners stated the gate and restricted access was put into place after multiple thefts and damage to property.
- C) A motion was made by Mr. Adams seconded by Mr. Yearby and carried unanimously to close the public hearing.

The Pledge, Invocation, and Roll Call were conducted. A quorum was present.

- 1) A motion was made by Mr. Probst seconded by Mr. Yearby to approve the July 27, 2020 minutes as mailed. Motion carried unanimously.
- 2) A motion was made by Mr. Adams seconded by Mr. Yearby to add to the agenda the abandoning of Fairview Landing Road. Motion carried unanimously.

A motion was made by Mr. Adams seconded by Mr. Yearby to maintain Fairview Landing from the levee to the gate. The road beyond the gate would be abandoned, to be maintained by the property owners. Under public comment, the land owners agreed. Motion carried unanimously.

- 3) Discussion with Waste Pro were next on the agenda. Waste Pro was not yet present so a motion was made by Mr. Probst seconded by Mr. Yearby to move the discussion to the end of the agenda. Motion carried unanimously.
- 4) A letter was received from the Village of Ridgecrest detailing problems on Vidalia Drive with sewer trucks being allowed to dump in the Concordia Sewer District sewer lagoon. The multiple traveling of heavy trucks has damaged the bridge and caving and potholes are occurring. A motion was made by Mr. Neal seconded by Mr. Edwards to send a letter to the Concordia Sewer District to discuss the problem with the Mayor of Ridgecrest and get clarity on the situation.
- 5) A request was received from the Concordia Parish School Board to spray the track and surrounding ditch Ferriday Lower Elementary. A motion was made by Mr. Yearby seconded by Mr. Neal to approve the request. Motion carried unanimously.
- 6) Under Committee Action and Reports, the following was discussed:
- A) A letter was received from the Lake St. John Waterworks Board notifying the Jurors of the resignation of Ms. Micki Smith and the recommendation of Mr. Lynwood Wiley as a new board member. A motion was made by Mr. Bachus to approve Mr. Wiley to the board. The motion was seconded by Ms. Allen and carried unanimously.
 - B) The Finance Committee had met to review the purchase orders and bank statements. A motion was made by Mr. Probst to approve the purchase orders and bank statements as presented. The motion was seconded by Mr. Bachus and carried unanimously.
- 7) Projects of the Parish were next discussed.
- Brushy Bayou – More conference calls have been held to keep the project on track. The RFI for FEMA has been completed and submitted. The Internal Review to USACE has been completed. Waiting on any feedback and comments from the submissions. Environmental site visit for archeological survey is scheduled to be conducted this week.
- Courtroom – Construction and audiovisual components are complete and working. Discussed the few components that are on order by the audiovisual company to install before the project can be completed for closeout.
- Washington Heights – The project is near completion. Updates were given regarding the funds remaining. These funds will be used to purchase handrails for the lift station and culverts for those that need replacing.
- DR-4462 – All documents have been submitted. Conference calls are being held bi-weekly. The next meeting is scheduled for August 12th at 1 p.m. FEMA wants more justification to the damages therefore more information is being sought. Reaching out to local businesses effected by the 2019 seepage waters is needed to add to the supporting documentation.
- Vidalia Canal – Response to the application submitted under Statewide Flood Control Program to assist with cleanout of the silt where the canal meets Cocodrie Bayou were received. Project was declined funding through the LTAP program.
- CARES Act - Application for the second period is being completed for submission.
- a. A motion was made by Mr. Probst seconded by Mr. Bachus to approve payment to Rostan Solutions in the amount of \$6,443.75 for services on DR-4462. Motion carried unanimously.
 - b. A motion was made by Ms. Allen seconded by Mr. Yearby to approve the the revised quote for the brush cutter for the new courthouse tractor. Motion carried unanimously.

**PARISH POLICE JURY
SPECIAL MEETING
AUGUST 18, 2020
11:00 A.M.**

The Police Jury of Concordia Parish met this day in regular session convened. There were present the following members:

President: Joseph Parker, Sr.

Members: Maurice Bachus, Willie Yearby, Adam Probst, Scottie Whittington,
Genesia Allen, Gary Neal, Collin Edwards, Brad Adams

Absent:

Secretary Treasurer: Sandi T. Burley

Invocation: Mr. Bachus

Pledge of Allegiance: Mr. Neal

- 1) Discussion of the issues with waste and debris pickup was the topic on the agenda. Present from Waste Pro were: Chris Lockwood, Sheldon Hudson, and Jolene Johnson. Also present was Joey Boothe from the District Attorney's office.

Mr. Parker opened the meeting by stating that the purpose of the meeting was to discuss where we are and where we are going forward. He then asked each Juror to bring forward any issues or concerns.

Mr. Adams discussed issues in the Monterey area. Some residents have gone five weeks without trash pickup. Mr. Hudson stated that they had changed drivers. The new drivers have been trained to the routes. The trucks are also packing out and the landfill closes at 4 pm during the week and closed on the weekend. They are also running the trucks on the weekend when garbage is unable to be picked up. Mr. Lockwood discussed the struggles on the garbage services during the pandemic. Extra accumulation of trash and staffing issues have caused setbacks.

Mr. Adams also discussed needing a dumpster for the Deere Park residents especially when heavy rains and flooding occur and the trucks cannot service the route. Mr. Hudson is working to get a dumpster set up. Mr. Parker asked Mr. Hudson to go through Mr. Adams to set up the dumpster and methods to put in place to prevent abuse of the container.

Mr. Edwards discussed issues in the Dunbarton area. This area is serviced on Tuesdays. Garbage is not being picked up even though the cans are out. In some instances partial garbage is being picked up and some being left behind.

Mr. Lockwood stated that a meeting was held last Wednesday evening with the staff to get a game plan together. Implementation of this plan started last Thursday.

Mr. Neal asked about staff turnover due to COVID. Mr. Lockwood stated there has been a lot of turnover throughout the state due to enhanced unemployment benefits and employees being exposed. Mr. Neal also stated that his biggest complain is when garbage isn't picked up it gets scattered. Communication is needed to be notified of any delays.

Ms. Allen arrived at 11:15 a.m.

Mr. Lockwood further explained that delays are higher in the summer due to the heat tearing up the trucks faster. Laborers are also needed. Summer is also the most challenging because kids are at home generating more residential garbage rather than at school which goes into a dumpster. Residential garbage has increase significantly since the stay at home order. Waste Pro is seeing an average of 19% increase in volume. This is an additional 4.12 tons per day which results in trucks taking longer to complete routes and the effect of the heat on the trucks.

Mr. Yearby stated his district has been taken care of. When he has called, they have sent a truck and handled the situation. He has worked with Waste Pro to improve the issues in his area.

Ms. Allen stated that she had received calls but all were handled in a timely manner.

Mr. Parker addressed issues on Indian Village, but stated the problems have minimized. He stated his biggest complaints were concerning the boom truck. Discussion ensued regarding the types and size of items being left out for the boom truck causing the trucks to fill up faster. Discussed placing a notice in the paper detailing specifications on bulk goods and limbs.

Mr. Parker further asked to bridge the gap in communications and let the Parish know when the trucks are maxed out. The current boom truck is down, but Mr. Hudson stated a back up truck is in place.

Mr. Neal discussed getting details and information from the Town of Ridgecrest on their limb site. Mr. Lockwood stated he would help gather information from his team on a feasibility analysis by using this site. A Class 2 site is needed for limbs and yard waste. Service and cost would be more efficient if the limb truck had a more local place to go.

- 2) There being no further discussion, a motion was made by Ms. Allen, seconded by Mr. Yearby to adjourn. Motion carried unanimously.

NOTES:

Who is CAFA?

Capital Area Finance Authority (CAFA) is a local housing finance Authority located in Baton Rouge, LA. Our programs help qualified potential home buyers with their down payment and or closing costs.

How does CAFA help the Home Buyer?

One of the biggest obstacles in purchasing a home is saving for the down payment. CAFA's non-repayable down payment assistance can offer up to 7% of the final loan amount to help overcome this hurdle and make the dream of home ownership a reality.

Does CAFA finance the homes?

CAFA partners with approved mortgage companies who work with the potential borrowers to finance the home.

How can CAFA help my local community?

Home ownership helps strengthen communities. The property tax generated by home ownership helps to maintain those communities and by allowing CAFA to offer these programs in your Parish, any fees earned through the origination of the loans is split with the Parish.

How may Parishes participate in the CAFA Program?

Through a Cooperative Endeavor Agreement with local Parish governments, we are now approved in 40 Parishes. Since 2016, we have shared over \$110,000 in fees to our participating Parishes.

WE WANT YOU

Call us today and find out how to become an approved Parish!

CAFA's Down Payment Assistance Program

What happens after a Parish signs the Cooperative Endeavor Agreement?

- There is **no level of risk to the Parish from signing the Cooperative Endeavor Agreement and with 30 days' notice, the Parish can terminate the agreement at any point that they so choose to do that.**
- Though it may be very small in the beginning and will very much depend on production volume, there will be some funds that will get sent back to the parish for closed loan production in the parish each month. **The Parish is not responsible for any of the work, CAFA will be the administrator of the program and the Parish can do whatever they choose with the money that they earn from the closed loan production.**
- By approving this CEA, the **Parish is allowing CAFA to offer its grant programs in the parish to the citizens looking to purchase homes in the parish. These are programs that the Parish currently does not have access to. This is just another tool in the tool belt to help local citizens. One more good thing to offer.**
- CAFA Programs are structured so that any lender that would like to participate can do so. CAFA will not enter your parish with a select set of lenders and only allow those' lenders to offer the programs. **CAFA allows any lender who would like to become approved to offer them.**
- These programs are **not just for low income borrowers or first-time homebuyers. ANY homebuyer can qualify if they have the minimum FICO score and fit under the maximum DTI.**
- **CAFA is a Local Housing Finance Agency, not a state agency. That means that we do not have jurisdiction to offer our programs across the state without getting a Cooperative Endeavor Agreements signed with parishes outside of our geographic territory, which is East Baton Rouge Parish and the 8 parishes that surround it.**

So yesterday Solita Scott and I officially became HOMEOWNERS 🏡. If you only knew both of our back stories you would know this is truly a BUT GOD 🙏 moment! After being told no 4 times God delivered us to our YES 🙌 not to mention our yes was greater than either of us could imagine 🙌 2 stories/5 bedrooms to be exact 🙌 Excited to start our next chapter 🙌 Major shout out to our real estate agent Stephen Favre we had no intent to purchase a home so soon. We actually already had it in stone we were going to move in with my mom until next year but he asked us to trust him, even went looking at homes with us without a preapproval (now that's real estate faith) 🙌 and here we are after only 2.5 months. I'm so thankful you didn't allow me to hang up in your face that Sunday afternoon 🙌. Another major shout out to THE BEST loan officer in Baton Rouge, Heather Gautreau, girl you are the bomb.com literally 2 weeks from our closing date we had to switch lenders 🙌 and she had the file completed and sent off to underwriting for approval in 2 days 🙌 I didn't even know that was possible! She was professional, super hasty, while at the same time careful, thorough, and my favorite of all always available to answer my millions of "one more question?" even during her family vacation 🙌. Big thanks to the both of you 🙌 Thank you to our photographer Dee Mott for catching a major milestone in our lives 🙌 Lastly, thanks to our friends and family that have supported us. We love each of you 🙌

AGREEMENT
BETWEEN
CAPITAL AREA FINANCE AUTHORITY
AND
CONCORDIA
PARISH

This agreement (the "**Agreement**") is entered into by and between the Capital Area Finance Authority (the "**Authority**"), herein represented by Mark Drennen, its President and CEO, duly authorized, and Concordia Parish, herein represented by its Police Jury President, who, in order to serve the public for purposes herein stated, declared.

WHEREAS, the Authority is a public trust established for public purposes for the benefit of East Baton Rouge Parish, State of Louisiana (the "**Beneficiary**"), created pursuant to the provisions of the Louisiana Public Trust Act, Chapter 2-A of Title 9 of the Louisiana Revised Statutes of 1950, as amended La. R.S. 9:2341-2347, inclusive (the "**Act**"), and other constitutional and statutory authority supplemental thereto and by that certain Trust Indenture dated August 14, 1974 and all amendments thereto (the "**Indenture**"); and

WHEREAS, the Indenture empowers the Authority to promote, encourage and further the accomplishment of all activities which are or may have a public purpose, including, but not limited to, the development of safe, sanitary single family housing for the low and moderate income families of the Beneficiary, for projects authorized under the Act and the Indenture which shall be deemed an authorized public function under the provisions of the Act; and

WHEREAS, Article VII, Section 14(C) of the Louisiana Constitution of 1974 and Sections 9020 through 9037, inclusive, of Title 33 of the Louisiana Revised Statutes of 1950, as amended, authorizes the parties to enter into this Agreement for the purpose of engaging in or encouraging economic development; and

WHEREAS, the Authority and Concordia Parish desire to enter into this Agreement for the benefit of the citizens of both Concordia Parish and the Beneficiary, for the purposes of allowing low to moderate income borrowers of Concordia Parish to participate in the Authority's program of financing homeownership for low and moderate-income families (the "**Programs**") and for the Authority to earn an administrative fee in accordance with the terms of this Agreement; and

WHEREAS, the Program will be administered by the Authority on behalf of Concordia Parish in accordance with the terms of this Agreement.

IT IS AGREED, by and between the Capital Area Finance Authority and Concordia Parish, that the following Agreement be adopted and the same is hereby entered:

1. TERM: The term of this Agreement shall commence on the first date below written and shall continue in effect until terminated by either party by providing thirty (30) days written notice to the other party of its desire to terminate.

2. PROGRAM TERMS: The Program shall be administered by the Authority on behalf of the Parish pursuant to the terms and conditions of certain mortgage origination agreement ("MOAs") by and between the Authority and various lending institutions ("**Lenders**") in connection with the Authority's Program.

3. PROGRAMS: The Authority presently has three mortgage loan programs which are detailed on Exhibit A and additional mortgage loan programs are expected to be developed. The Authority will share 50% of the net fee with the Parish.

3. ADVERTISING AND MARKETING: In connection with its administration of the Program, the Authority shall actively market the Program in coordination with representatives of the Parish. The Authority shall be responsible for and pay directly any and all costs associated with the advertising and/or marketing of the Program.

4. MUTUAL AND RECIPROCAL BENEFIT: The Authority and the Parish acknowledge and agree that the obligations and agreements of each are in consideration of the obligations and agreements of each other and are of mutual value.

5. ASSIGNMENT: Neither the Authority nor the Parish shall assign any interest in this Agreement and shall not transfer any interest in same (whether by assignment or novation), without prior written consent of the other party.

6. AMENDMENT IN WRITING: Any alteration, variation, modification or waiver of provision of this Agreement shall be valid only when it has been reduced to writing and executed by all parties.

7. AUDIT CLAUSE: It is hereby agreed that the Legislative auditor of the State of Louisiana, and/or the Office of the Governor, Division of Administration auditors shall have the option of inspecting and auditing all data records and accounts of the Authority which relate to this Agreement, upon request.

8. NOTICE: All notices and other communications pertaining to this Agreement shall be in writing and shall be transmitted either by personal hand-delivery (and receipt for) or deposited in the United States mail, as certified mail, return receipt requested and postage prepaid, to the other party, addressed as follows:

EXHIBIT A

Capital Advantage Program- The Authority contracted with US Bank as Master Servicer and Raymond James as hedging agent. The Program presently has 31 approved banks and lenders in the Program. The Authority receives an issuer fee of a minimum 90 basis points on loan production and receives fee income at time of pooling of the loan production into a MBS. This occurs approximately once every 30 days. The Authority will share 50% of the fee received on all loan production with Concordia Parish and will remit to Concordia Parish within ten calendar days of receipt.

Purchase Advantage Program – The Authority contracted with GMFS Lending, LLC as Master Servicer, underwriter, lender and hedging agent. The Program works through approved mortgage brokers, credit unions and lenders in the Program. The Authority receives an issuer fee of 90 basis points on loan production and presently receives income within 15 calendar days after the month in which the loan was funded. The Authority will share 50% of the fee income received on all loan production with Concordia Parish and will remit within 10 calendar days of receipt.

Future Programs- The Authority is currently in Program Development with a Government Sponsored Enterprise (GSE) to develop a Pilot Program that would allow the Authority to authorize approved seller servicers to service their own loans, by choice. It is anticipated the Authority will receive a 75-basis points issuer fee upon the lender selling the loan to the GSE. The Authority will share 50% of the fee income received on all loan production with the Parish and will remit within 10 calendar days of receipt. The final documents will be forwarded to the Parish within forty-eight hours of execution.

Second Mortgage Program – The Authority is developing a second mortgage program where it may invest its' own Unrestricted Fund dollars into a second mortgage to provide down payment assistance. If a second mortgage is funded by the Authority, the Authority would recoup its second mortgage investment through an issuer fee on the first mortgage before any net revenue sharing. An example follows:
On a \$100,000 mortgage loan funded, the Authority may fund a second mortgage for DPA of 4% or 5%, \$4,000 or \$5,000 respectively. The Authority would structure an issuer fee in excess of its second mortgage funded, such as 4.90% of 5.90% on the first mortgage. The second mortgage is anticipated to be a 0% interest rate, zero monthly payments due. The second mortgage would be due upon refinance, sale or estate conveyance within the first ten years. The net fee on the first mortgage, in this example, of 90 basis points would be shared with the Parish.
