# Request for Statements of Qualifications for Professional Engineering Services

Concordia Parish Police Jury (CPPJ) is hereby soliciting submittals of Statements of Qualifications from firms interested in providing **Professional Engineering Services**. The Parish wishes to contract with a firm to serve as the lead engineer and Construction Administrator for Phase II construction of the Lake St. John and Lake Concordia Drainage project (commonly referred to as the “Brushy Bayou project”). Statements of Qualifications shall be received up to **10:00 am on April 6, 2023**. No Statements of Qualifications will be accepted after the deadline.

Interested firms are instructed to submit a request for the entire packet by emailing CPPJ’s Secretary/Treasurer, Ariella Carter, at [acarter@conppj.org](mailto:acarter@conppj.org).

Statements of Qualifications are to be submitted in accordance with the instructions outline in the full packet.
